

QUEZON CITY SCIENCE HIGH SCHOOL
ALUMNI ASSOCIATION

5TH FLOOR VARGAS BUILDING, 105 KALAYAAN AVENUE, QUEZON CITY

Dear Fellow Alumni:

Greetings!

Our dear Alma Mater, Quezon City Science High School, will be celebrating its Golden Jubilee this year by conducting various activities to commemorate this important milestone starting September 2017, culminating to the Grand Jubilee Celebration on September 16th at the Crowne Plaza Manila Galleria, Ortigas, Quezon City. (We shall provide you with regular updates on the schedules of these upcoming activities.)

The QCSHS Alumni Association (QCSHSAAI) and this year's host batch, the Class of 1992, are currently in the middle of preparations for the alumni homecoming befitting a momentous celebration. An integral part will be the publication of the school's 50th Anniversary coffee table book that commemorates the significant events and milestones that defined the 50 years of QueSci.

We invite you to take part in this endeavour by sharing with us your fond memories during your time at QueSci. Allow us to immortalize your stories, pictures, anecdotes and/or dedications from your (science) high school experience by including them in this commemorative book. We encourage you to gather your classmates, friends, families and *barkadas* and sponsor a page.

If you have any concerns or inquiries, please do get in touch with **Helena Fe Tayag** at **0947-896-8963** or **0917-538-2938**. Thank you and we hope to see you this September at the Golden Jubilee.

Very truly yours,

ATTY. BENJAMIN A. MORALEDA
President, QCSHS Alumni Association Inc.
